**JO BIENVENU**

Dearest AAD Members,

As expected, we've done the same thing every January....The annual executive board retreat fell on January 26th at 8:30a - 5:00p this year. Yes, it was a long weekend, but it was worth beyond words as we made sure that we met all actions which motions were passed during the membership meetings. The bonus is that we have social coordinator this time so we were able to try a few additional activities.

Rosemary, Ann, and Andrew are working closely with City of Austin in passing building inspection and fire inspection. We had to swallow because we will be responsible to pay \$1,357.20 - ouch! However, it is a necessity. The Fire Chief inspected last month and he disapproved our door knob; thus we need to have a push bar on door that we could exit faster in case of emergency. Oh no! We will get a final number of occupancy for our building as well. The Fire Chief will return to have a final walk through before giving the final approval. Interestingly, our clubhouse is called assembly open space which means that we have folding chairs and removable furniture such as tables and chairs with nothing locked on floor plan.

Valentine's Day is coming soon ... and be my sweetheart! I feel loved every day and please know you are SO loved! Happy Valentine's Day!

Love and hugs!  
President Jo
