Hello everyone, this morning has been pretty chill. Most of you might be wondering what is in my background. One of the unique characteristics of the Austin Deaf Club is its pavilion. It was built back in the 1980s. Austin Bass Club of the Deaf raised about \$10,000 to establish it. The pavilion has hosted a lot of memories and history throughout our time here. We used the pavilion in our Halloween Haunted House, in poker parties, in homecoming, and many other events.

Most of you may be wondering if Austin Deaf Club is planning to re-open. We still remain closed. However, we are open to renters. We are not available for members until further notice.

I have been absent for the last 3 weeks due to dealing with a personal situation. I want to thank our Vice President MJ Bienvenu and the board for taking care during my absence. I would like to encourage everyone to participate in our AAD Zoom events and also to come to our General Meetings. I hope to see y'all. Have a happy April! Stay safe!

Tar Burt
