Hello Members,

I would like to apologize for the late distribution of our recent newsletter and meeting minutes. We have had many different situations and issues arise during the summer, and it's vacation season.

I would like to update you on a few things: If you recalled last month, I made an announcement to re-open AAD following the precautions and procedures from the COVID guidelines. We were ready to release more information, but we unfortunately discovered our AC unit is broken. The board has been working on collecting three different AC company's information and prices. The board has selected one of them and will proceed to commission a fix for the AC unit. After that, we will keep you posted.

We will host a town hall this month on July 10. There will be no general meeting, as it is being replaced by townhall. It is very important for all of you to show up to the town hall through virtual Zoom. As members of this club, you have the duty to attend, and you will learn more about our 501(c)7 club status. We will discuss more further details and make some big decision after.

I also want to let you know that we will host a badminton event outside on Saturday, July 31! The event will be free admission. Everyone is welcome. We'll have good time together! If you have any badminton equipment, please bring it!

Lastly, before closing: I would like share the sad news that Vincent Dailey is leaving as our Member at Large 5. I want to many thank him for his service to AAD. I do really appreciate that. We will miss working with him. The position of MAL 5 is now vacant. If you're interested, you may sign up for it. The board will discuss together and appoint someone to fill in. We will send out a form for sign ups upcoming soon. Again, we want to thank you for your awesome support and loyalty to AAD. By the way, the MAL 5 positions has the duties already assigned - be ready for it if you decided to sign up! Again, many thanks!

Tar Burt
